

Tired of walking through **dangerous walkways** in construction sites? Worried you're going to trip on **bumpy pavements**? Have you come across **walkways that are too narrow**?

REPORT THE PROBLEM USING 311!
It's easy!

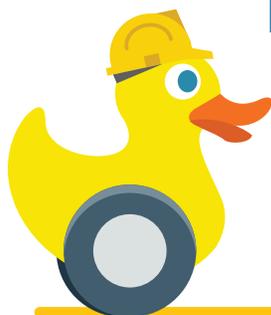

Three Ways to Contact 311

- Call** 311 (from a 415 phone) or 415.701.2311 (any phone)
- Use** the SF 311 smartphone app
- Go** to sf311.org

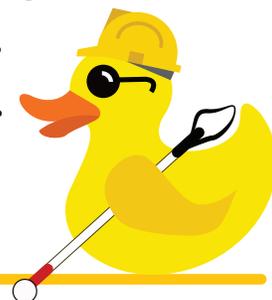

Information to include

Location: A street address is required. Use the closest address when the location is vague.

Photo: Help the City visualize the problem.

Description: Describe the problem, even if you submit a photo.

The **SF Sidewalk Search Party** has been working to make San Francisco sidewalks safer and more accessible.

To get involved: Email Jennifer Walsh at jennifer@sfcommunityliving.org or call 650-488-0259
