How to Join a Zoom Call

Zoom is a service we use to hold group calls by phone and online video. CLC uses Zoom for presentations and facilitated group conversations to stay connected during the pandemic.

If You're New to Zoom, Start with a Phone Call: Use your home phone or cellphone to call the provided phone number, type in your event's Meeting ID, press # twice and join the conversation. Most activities will work by phone. Exercise and Art Classes are the only ones where video is highly recommended. Use our toll free number where you can, and be sure to check your telephone billing plan if you have limited minutes.

If You Want to Join by Video: Each event will have a special link. When you type the link into your web browser (or click the link at sfcommunityliving.org/events) it will launch a request to download Zoom onto your PC, Mac, iPad, or Android tablet. You can download Zoom or open the call directly in your Mac or PC web browser (Chrome works best). When you join, you'll need to answer a few registration questions.

Printed Handouts: We can provide most content displayed during presentations as handouts by email or postal mail. Allow at least 5 days for any handouts sent by postal mail. Contact amy@sfcommunityliving.org for help.

Walk & Wave and Other Outdoor Groups

When we can, we are holding some small (12 people or fewer) activities outdoors where neighbors can meet in person. To keep everyone safe, each participant must agree to:

- Register with contact information
- Answer a few questions to make sure you and your household are unlikely to have COVID-19
- Agree to wear a mask, maintain social distancing, and sanitize your hands

Please **contact your Community Connector**, info@sfccommunityliving.org or **415-821-1003** for information about upcoming outdoor activities in your San Francisco neighborhood.

All activities are subject to cancellation depending on San Francisco's Public Health orders.

*For activities marked with * see page 2 for phone and link information.*
